### Decision Points

- The Family Resource Network Advisory Council (FRAC) has decided that it should be within each center's own budget to certify staff by the Maricopa Family Support Association. As this is a requirement of Family Resource Network (FRN) members, please make sure to include that line item. If there are immediate financial needs, there are limited scholarships available through the FRN. Please contact your consultants at [frn@communityallianceaz.com](mailto:frn@communityallianceaz.com) for more information.
